

## Senior Furniture Maker

Opus Magnum is a high quality, bespoke design and furniture manufacturing company based in Wandsworth, SW18. We work on a broad range of exciting work for major companies like Microsoft to the committee tables in the UK Parliament. As a company we are known for our expert craftsmanship, focus on quality and a passionate approach to our work. [www.opusmagnum.co.uk](http://www.opusmagnum.co.uk)

We are currently seeking an enthusiastic sales support person to join our skilled team. The role is collaborative and there is a good opportunity for progression within the company.

### General workshop responsibilities:

- To contribute to maintaining a clean and efficient workshop.
- To have the flexibility to sometimes vary working hours to suit production needs.
- To understand and adhere to the company's Health & Safety policy including when the use of PPE is compulsory. To alert the Manufacturing Manager of anything that you feel could affect H&S.
- To show good time keeping.
- To have a reliable attitude towards wrapping, loading / unloading and assisting in the spray department.
- To act as an Ambassador of the company when on site and/or client facing.

### Making requirements in addition to those described for the Furniture Maker level:

- a. Competent and consistent with complex veneering, veneer allocation and veneer planning.
- b. Competent with setting and adjusting more complex machinery (Edge bander, Speed sander, veneer jointer etc.)
- c. Able to see all the steps to completing a complex project both independently and without unnecessary stages.
- d. Experienced with all normal site fitting & installation techniques.

### The following skills will also be expected of a Senior Maker:

- a. Ability to plan and schedule hours for a whole project or part of a larger project.
- b. Ability to time manage yourself and members of your team to ensure that the program is met.
- c. To help and assist team members to learn and progress.

- d. Responsibility for quality within your work and for anyone within you team.
- e. Ability to stand in for Project Leaders or look after aspects of a larger project under a Project Leader. Alternatively smaller jobs might be looked after independently.
- f. To take part in and contribute positively to 'post mortems' at the end of projects.
- g. Contribute to the 'House Keeping' at Opus Magnum and to encourage others to follow by example.
- h. Promote and 'Champion' the Opus Magnum ethos.
